OBJECTIVE: Aspiring UI Designer and full-time student seeking a **UI Design Summer Internship** where I can apply my creativity, user-centered mindset, and attention to detail. Eager to contribute to engaging, inclusive digital experiences while gaining hands-on experience in a collaborative, fast-paced environment.

HIGHLIGHT OF EDUCATION QUALIFICATIONS

- Completed Computer engineering in 2023 from Gujarat Technological University, India
- Pursuing a degree in Mobile Application Design and Development at Algonquin College, Ottawa

RELEVANT SKILLS

- Proficient in Figma, Adobe XD, and basic prototyping tools
- Strong eye for layout, color, and typography
- Ability to empathize with users and translate feedback into design solutions
- Excellent communication and collaboration skills
- Comfortable working independently or in team settings
- Quick learner with adaptability in fast-paced environments
- Basic understanding of UX principles and responsive design

VOLUNTEER EXPERIENCE

| | |
|--|---------------|
| Student Associate Volunteer , Algonquin College, Ottawa, ON | 2024- Present |
| Social Volunteer at Tulip Festival, Ottawa, ON (Upcoming) | May-2025 |

HOBBIES AND INTERESTS

Photography, sketching, exploring new places, coding while listening to my favorite songs. Interested in Figma, Photoshop, React + Vite, working with MongoDB and Digital Marketing.
